Alma Mater

Here roam'd of old the red man.

Here stood his skin tepee.

Here cross'd the mystic red stick,

Tis Istrouma, 'tis Istrouma,

Tis Istrouma cried the trees.

Hail Istrouma, Alma Mater

Tender love we owe to thee

Hail Istrouma, Alma Mater,

We will ever loyal be.

James O. Lang

"The teacher who walks in the shadow of the Temple among his followers, gives not of his wisdom, but rather of his faith and lovingness."

"If he is indeed wise, he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind."

Kahlil Gibran from *The Prophet*

And thus did our beloved teachers and friends, James O. Lang and Whitford L. Lewis, through faith and loving kindness, awaken many moments of awareness to knowledge, and lead Istrouma High School students and teachers to a better understanding of the gift of wisdom, and of life and of its deeper values.

DEDICATION

Whitford L. Lewis

These faculty members, through loyal devotion to duty, dedicated service to school and community, and active interest in the betterment of Istrouma and its student body, will always walk with those whose lives they touched and with those who have the true Istrouma spirit.

So even though we shall always miss these friends and the happiness they gave us while they were here, we must say with *The Prophets*:

"When you part from your friend, you grieve not; For that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain."

Mr. Ellis A. Brown

No man is any prouder of Istrouma High School than our principal, Mr. Ellis A. Brown. For many years he served as a football coach; for 17 years he has been principal. Here he takes a well-deserved moment to sit back and consider the progress that Istrouma has achieved over the years.

Students, teachers, and friends have been much impressed with the qualities of insight and under-

standing of basic human problems that our principal has shown over the years.

Since he came to Istrouma in 1935, Mr. Brown has busily and tirelessly developed and preserved the sound and traditions of Istrouma High. Because of his vision and his selfless persistence in working toward accomplishing the goals Istrouma is known today as a great and well-rounded school.

Assistant Principals

Right: Mr. Tom Hollimon enters his first year in his new position as Assistant Principal of Instruction at Istrouma High School. Mr. Hollimon was formerly a guidance counselor on the Reservation. The student body and faculty wishes you success with your new position.

— but then there was Broadmoor! — a great team effort — led by Russell and Baker and Couvillion — Watts and Bratschi — Hotard and Valenti — a game of pass interceptions — recovered fumbles — timely penalties — a 96 yard punt return by Watts — it was a night for the mighty ISTROUMA INDIANS — nothing went wrong — How Sweet It Was

With three successive wins behind them, the team was ready for Glen Oaks — they took the last win over the Panthers, 1965, and made it their battle cry — Watts carried for gains — Stevens broke into the secondary — Zammit tried the left side — Blue, Baker, Hotard stopped Glen Oaks — But one impossible pass thrown under pressure — one unbelievable reception in a nest of Indians — with time expired in the first half Glen Oaks scored — 7-0.

"We gonna win" taped on helmets — Zammit's gains — Steven's touchdown — all were in vain as Baker's district championship team proved too much for the Braves —

Watts scored against Capitol — Bratschi added three — but the new opponents scored late to take a 9 14 win —

Istrouma's season of bright promises and shattered dreams ended with Tara — played in a downpour on a cold winter night.

. . . "Where Roamed of Old the Red Man . . ."

ISTROUMA

Where 70-71 Began
At the Porte Cochéré
On a Hot August Day.
It was a year of Tension

. . .

Occasionally overrun
But always overcome.
Where new students
and Experienced
Teachers

Found for themselves
A place to contribute . . .

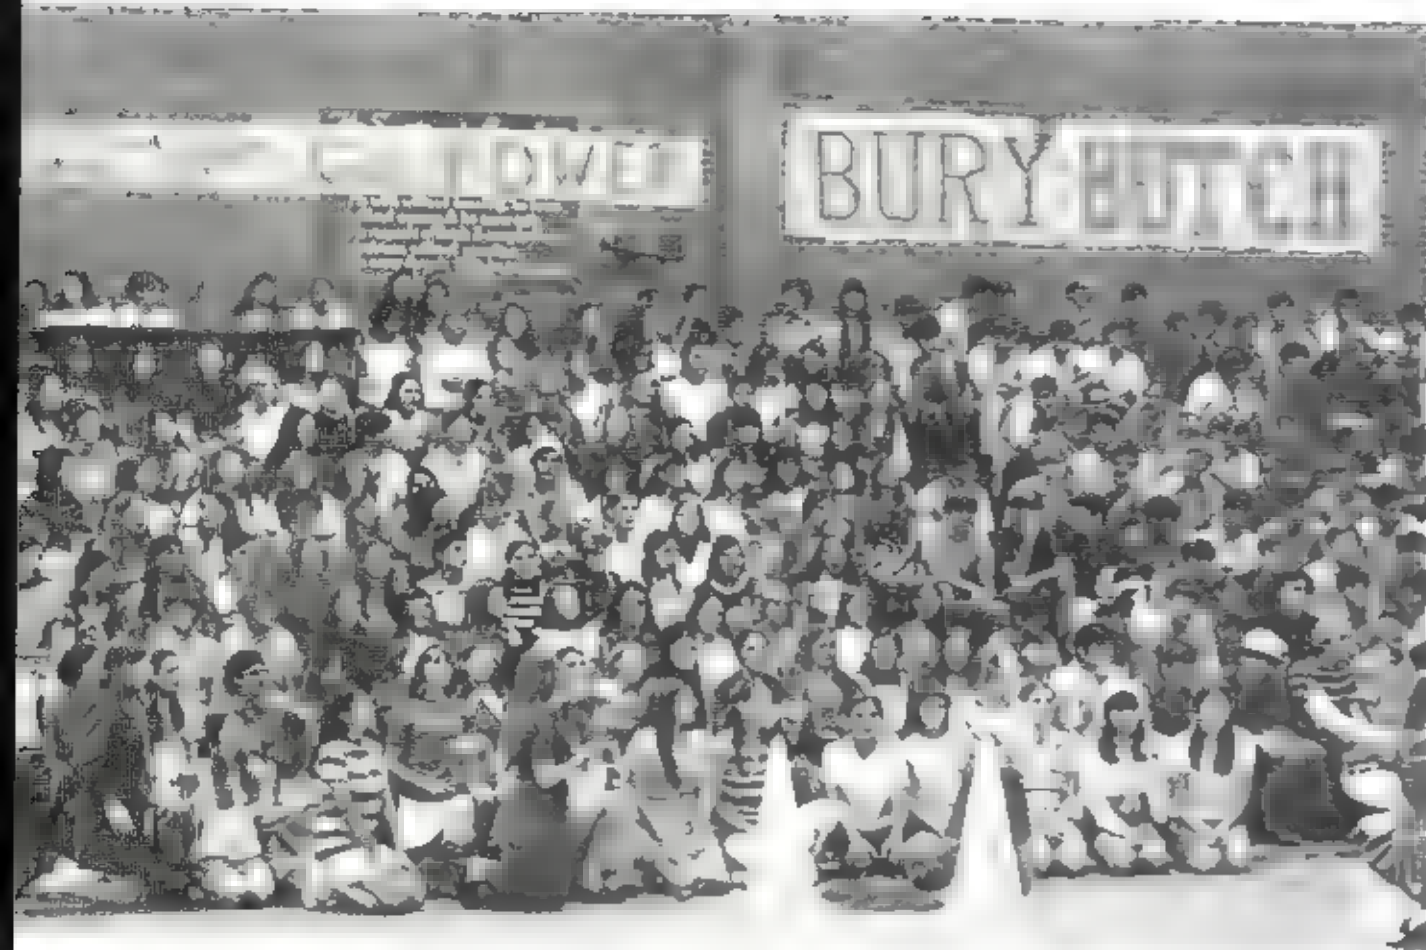

A place to belong . . .

Where old traditions
And ideals held strong
and steady . . .
and secure . . .

Where Spirit Begins at a Pep Meeting . .

IT'S BEAR MEAT TIME

UP FROM THE SUMMER HUNTS
IN TO THE WINTER FLAVORS...

EVERY YEAR OF INDIAN
COOKED BEAR BLENDS TENDER
PUMPKIN & VEGETABLES...
CRISP GREEN PEPPERS AND
YOUNG ONIONS...WITH FRESH
BEAR AND THOSE SPECIAL
HERBS THAT ONLY INJIN JOE
KNOWS.

NOW'S THE TIME OF YEAR
WHEN SWEET SPICY AROMAS
COME FROM THE BLACK IRON
POTS OUTSIDE THE INDIAN
SMOKEHOUSE. SO SPICE UP
YOUR WINTER MEUS, BRING IN
AS MANY BEARS AS YOU
CAN.

and Dedication

Where We Could Have Fun

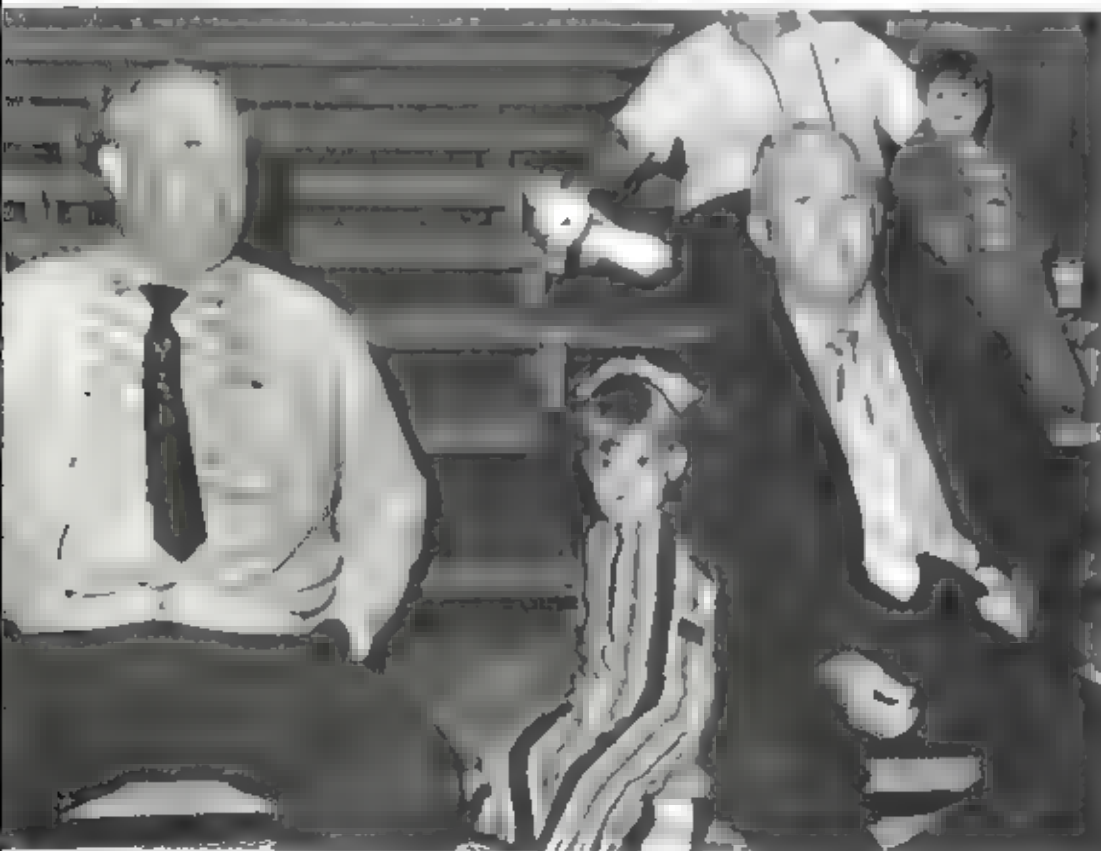

Laugh and Be Happy

Contributing to Ideals

That Lives in the Past,
the Now and All
Who Will Come

One Candle Power

If I had the light of but one candle power,

I'd find a way through this darkness

Just one ray of light to bless my pathway

I'd open my eyes to the blindness.

If I had the gleam of but one candle power

To guide me along on my way

No longer would I stumble and fall

And open my eyes to the day.

Though no one told me they noticed,

Somehow, I know that it shows

That I'm walking around in the sunlight with

My eyes and my mind tightly closed.

If I had the warmth of but one candle power

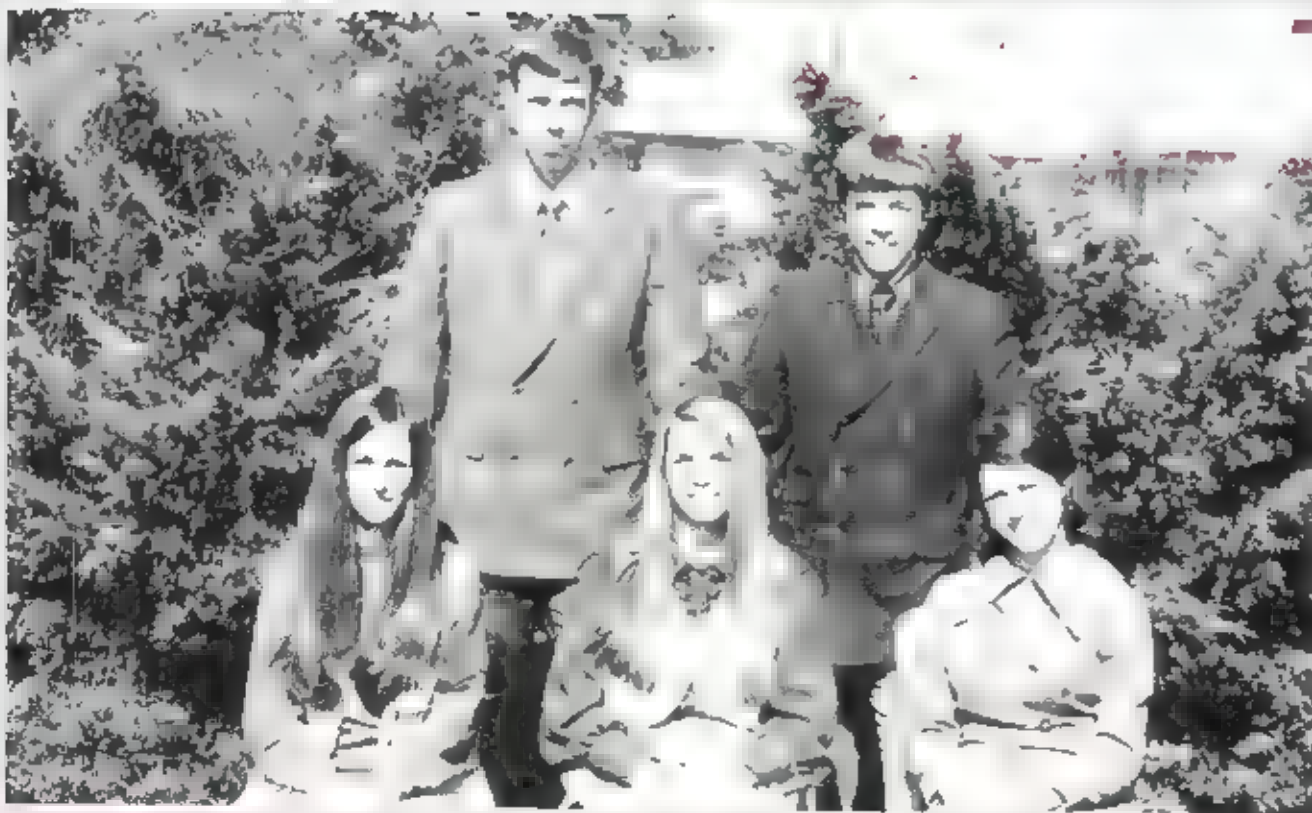

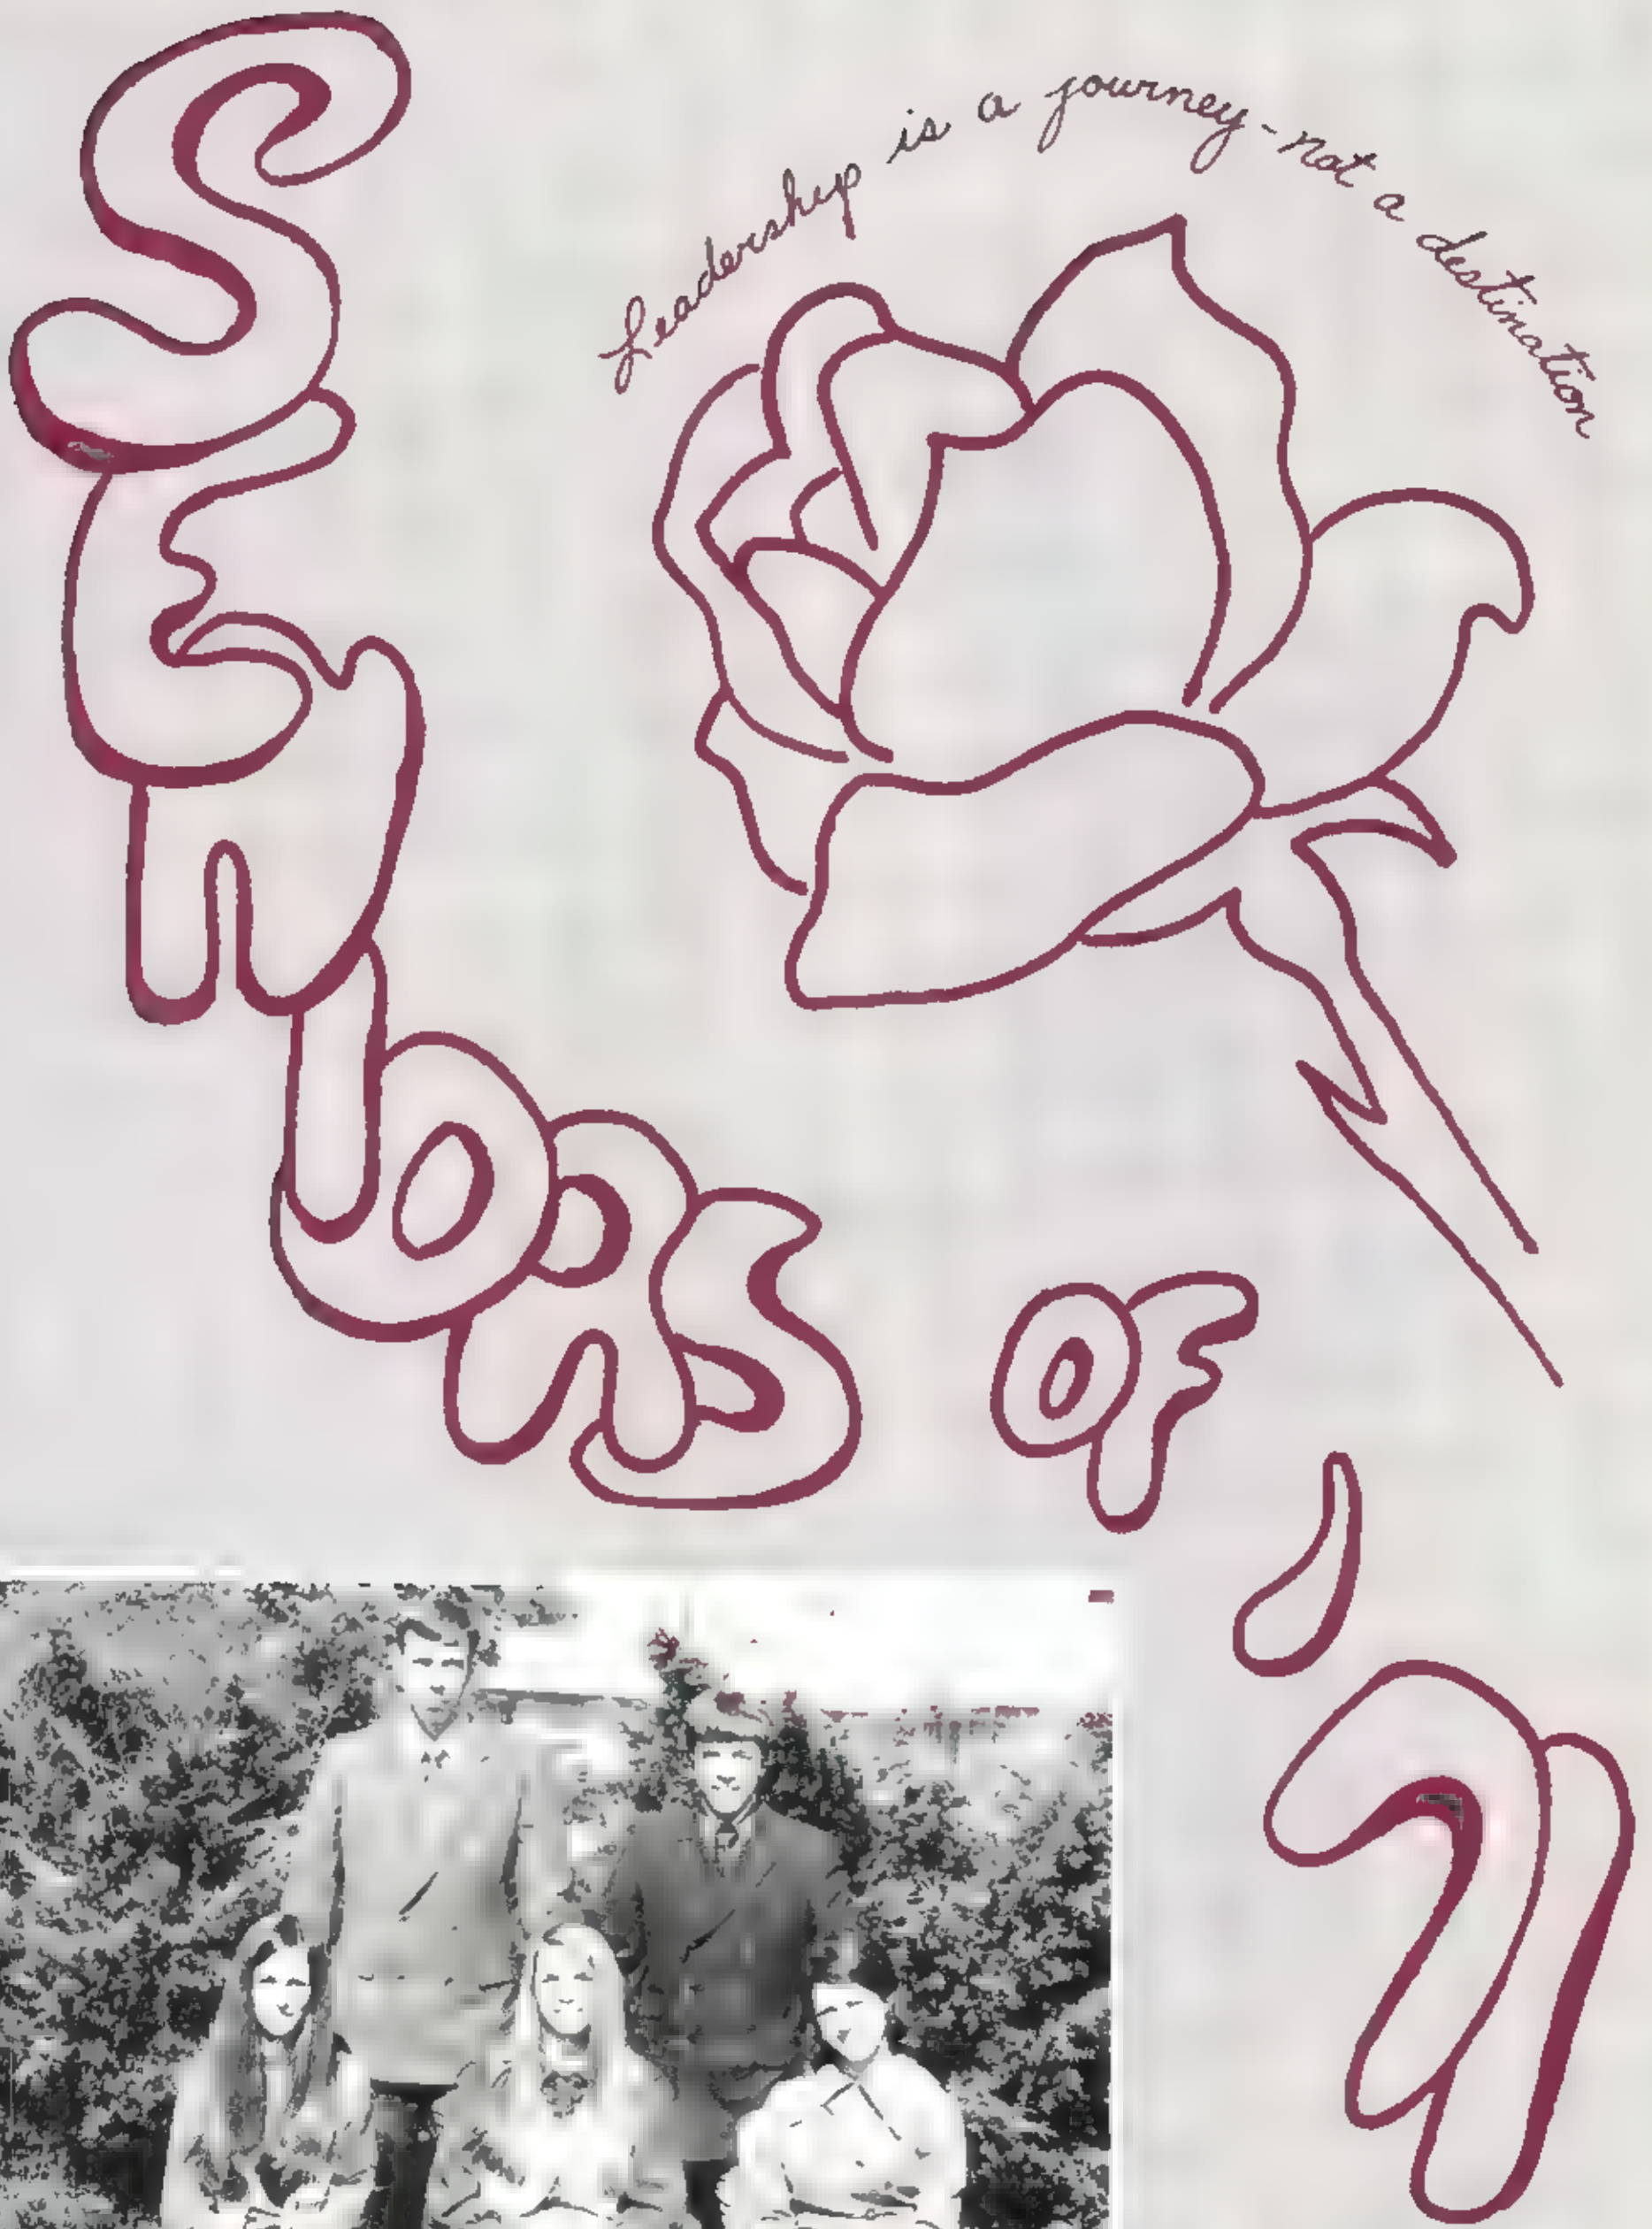

To warm my hands as I pray

I'd reach out and move all the things that detain me,

And keep me from finding the way.

Randy Russell

Quality is never an accident

Some brands of milk and ice cream are satisfied just to meet the minimum quality standards set by federal, state and city regulations. Not so with Borden. Our dairy foods are the purest, best tasting we have learned how to produce in over a century of experience. We take very seriously our responsibility to protect purity and flavor from farm to your refrigerator. The truth is, has been, and will continue to be: Everything Borden makes is better than it has to be.

As Co Editors of the 1970-71 POW WOW, we would like to express our appreciation to all of those who aided in the publication of this book.

We will always remember all the long hours of "burning the mid-night oil" in order to meet deadlines, as well as sorting pictures and typing.

A special thanks goes out to the sponsors and also to the staff members who have toiled with us. And, of course, this whole book would have been impossible without our photographers who "snapped" when we told them to.

In finishing this edition of the POW WOW, we would like to leave this thought with you:

As the years pass and friends part,
Cling to the memories that recreate old happiness.
But don't dwell too strongly on the past,
For the future is upon you as each day dawns.

Brenda Wilson
